

DELIVERY DRIVER

Sherriff Electrical is an Australian Family owned Electrical Wholesaler. Regarded as one of the leading independents, our people strive to provide the highest level of customer service possible. We are currently on the hunt for a **full time Delivery Driver** for our branch in **[BRANCH NAME]**.

The ideal applicant for this role would be someone with a great work ethic, who can thrive and learn within an experienced team, while also sharing their own education and experience.

Duties of this role include; but are not limited to:-

- Daily multi-drop deliveries in the Sherriff work truck to contractor sheds, homes or worksites.
- Assist the Head Storeperson with store duties and the logistical operation of the branch.
- Manage the loading & unloading of all incoming and outgoing goods of store.
- Picking & Packing of store orders.
- Quality assurance and accuracy of receipting and dispatching goods.
- Regular cyclical stock takes.
- Working with the sales team to achieve daily branch requirements.

To be successful for the role you must have:

- **Current C Class licence for truck work essential; larger vehicle experience preferred but not essential.**
- Current Forklift licence is beneficial.
- Physical fitness is required as there is heavy lifting involved with truck loading and unloading.
- Previous experience in a delivery driver role.
- Able to show initiative and work unsupervised.
- Able to use logic and think laterally to problem solve.
- Basic computer literacy required.
- High attention to detail.
- Excellent Customer Service.

If you feel you're the perfect fit for this role, please click **APPLY** now and submit your resume & cover letter!

We would like to take this opportunity to thank all applicants for their efforts in applying. However, only those who meet the criteria will be contacted.
